October 15, 2007

To the Federal Communications Commission:

Pursuant to requirements set forth in PS Docket No. 06-229, WT Docket No. 96-86 and DA 07-4168, St. Charles County Government certifies that the following sixty 700 MHz radios were in place and operational on August 30, 2007. St. Charles County Government utilizes these radios for interoperability during multijurisdictional tactical operations under license WQDU825, and on frequencies licensed by Rule to incumbent Part 90 public safety licensees for mobile interoperable communications.

1) The total number of mobile and portable handsets in operation are 60, detailed below.

<u>Radio</u>	<u>Serial Number</u>
E.F. Johnson 53SL	5477H0407T 49670

2) The area of operation of mobile and portable units is primarily throughout the St. Louis Urban Area Security Initiative (UASI) region, defined by the Department of Homeland Security as the City of St. Louis, MO; the County of St. Louis, MO; the County of St. Charles, MO; the County of Franklin, MO; the County of Jefferson, MO; the County of Monroe, IL; the County of St. Clair, IL; and the County of Madison, IL. These radios may also be used to communicate with other multijurisdictional specialty teams or public safety licensees outside of the St. Louis UASI region as necessary for emergency operations, and as allowed by FCC Rules and Regulations.

3) Currently, there are no narrowband base stations serving these handsets. 700 MHz public safety operations are in simplex mode. Implementation of fixed-end equipment is a future objective.

4) There are no base stations as of August 31, 2007. Locational information of base stations is not applicable.

5) The point of contact for each of these handsets listed in section 1 of this document is:

Steven J. Makky, Sr.  
St. Charles County Sheriff's Department  
301 N Second St., Rm. 280  
St. Charles, MO 63301-5424
